

Cocktails

“For the ones that like it shaken or stirred”.

"Here's to the 12 and the normies,
the rebels and the conformists, the lefties and the righties,
and those who defy expectations and stereotypes.

Let's drink to the curvy and the boxy,
the givers and the takers, the multies and the monos,
and those who don't fit categories and labels.
Here's to sameness and difference for the now and the next".

Cheers!
