WATER by MADE BLUE

The **Made Blue** Foundation aims for clean drinking water all over the planet. They invest in water projects in countries where it is needed the most. At NEXT, we don't serve spring water, but instead tap filtered, chilled and sparkling water from a tap water cooler. This is more sustainable, friendly for the environment and with every bottle of water we tap, we provide a 1000 times as much clean drinking water in countries where it's needed thanks to **Made Blue!**
